Fuel Economy and Environment

Fuel Economy

25

combined city/hwy

MPG

26

highway

4.0

gallons per 100 miles

Small SUVs range from 14 to 125 MPG.  
The best vehicle rates 146 MPGe.

You spend \$1,500 more in fuel costs over 5 years compared to the average new vehicle.

Annual fuel cost

\$2,000

Actual results will vary for many reasons, including driving conditions and how you drive and maintain your vehicle. The average new vehicle gets 29 MPG and costs \$8500 to fuel over 5 years. Cost estimates are based on 15000 miles per year at \$3.30 per gallon. MPGe is miles per gasoline gallon equivalent. Vehicle emissions are a significant cause of climate change and smog.

GOVERNMENT 5-STAR SAFETY RATINGS

Overall Vehicle Score ★★☆☆☆  
Based on the combined ratings of frontal, side and rollover.  
Should ONLY be compared to other vehicles of similar size and weight.

|                                                                                                                           |                      |       |
|---------------------------------------------------------------------------------------------------------------------------|----------------------|-------|
| Frontal Crash                                                                                                             | Driver Passenger     | ★★★★★ |
| Based on the risk of injury in a frontal impact.<br>Should ONLY be compared to other vehicles of similar size and weight. |                      |       |
| Side Crash                                                                                                                | Front seat Rear seat | ★★★★★ |
| Based on the risk of injury in a side impact.                                                                             |                      |       |
| Rollover                                                                                                                  |                      | ★★★☆☆ |
| Based on the risk of rollover in a single-vehicle crash.                                                                  |                      |       |

Star ratings range from 1 to 5 stars (★★★★★) with 5 being the highest.
